NOTES:

1. The Ministry of Corporate Affairs (MCA) has, vide General Circular No. 2/2022 dated 5th May, 2022 has permitted companies to conduct Annual General Meeting (AGM) to be held in the year 2023 through Video Conferencing (VC) or Other Audio-Visual Means (OAVM), subject to compliance of various conditions mentioned in the General Circular No. 20/2020 dated 5th May 2020. In compliance with the circulars from the MCA and applicable provisions of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the 41st Annual General Meeting of the Company is being convened and conducted through VC / OAVM. The deemed venue for the 41st Annual General Meeting of the Company shall be the Registered Office of the Company.
2. SEBI Vide circular dated 05th January, 2023, has extended the relaxations given vide its circular dated 12th May, 2020 in respect of sending physical copies of Annual Report to shareholders and requirement of proxy for general meetings held through electronic mode, till 31st December, 2022. Therefore, Notice of AGM along with Annual Report is being sent only through electronic mode to those members whose email addresses are registered with the Company / Depositories.
3. An Explanatory Statement pursuant to provisions of Section 102 of the Companies Act, 2013, is annexed hereto in respect of Special Business for item Nos. 4& 5.
4. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM, the requirement of physical attendance of Members has been

dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.

5. Members of the Company under the category of Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/ JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to marketing@raasi.in with a copy marked to evoting@cdslindia.com.
6. In case of joint holders attending the AGM, only such joint holder who is higher in the order of names will be entitled to vote.
7. The attendance of the Members attending the AGM/EGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
8. As per Regulation 40 of SEBI (LODR) Regulations, as amended from time to time, securities of listed companies can be transferred only in dematerialized form with effect from, April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrars and Transfer Agents, Aarthi Consultants Private Limited ("ACPL") for assistance in this regard
9. To support the 'Green Initiative', Members who have not yet registered their email addresses are requested to register the same with their DPs in case the shares are held by them in electronic form and with ACPL in case the shares are held by them in physical form
10. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/ mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their DPs in case the shares are held by them in electronic form and to ACPL in case the shares are held by them in physical form
11. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members, who have not yet registered their nomination, are requested to register the same by submitting Form No. SH-13. Members are requested to submit the said details to their DP in case the shares are held by them in electronic form and to ACPL in case the shares are held in physical form.
12. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or ACPL, the details of such folios together with the share certificates for consolidating their holdings in one folio. A consolidated share certificate will be issued to such Members after making requisite changes
13. Members seeking any information with regard to the accounts or any matter to be placed at the AGM are requested to write to the Company at least seven days before the date of AGM through email on marketing@raasi.in. The same will be replied by the Company suitably.

14. Since the AGM will be held through VC / OAVM, the Route Map is not annexed in this Notice.

A. INSTRUCTIONS FOR VOTING THROUGH ELECTRONIC MEANS

- i. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM/EGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the EGM/AGM will be provided by CDSL.
- ii. The remote e-voting period commences on Wednesday, 27th September, 2023 at 10:00 A.M IST and ends on Friday, 29th September, 2023 at 5:00 P.M IST. During this period, Members holding shares either in physical form or in dematerialized form, as on Wednesday, 23rd September, 2023 i.e. cut-off date, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- iii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iv. The Board of Directors has appointed Mr. Pavan Kumar Bhattiprolu (Membership No. FCS 5399) as the Scrutinizer to scrutinize the voting during the AGM and remote e-voting process in a fair and transparent manner
- v. The Members who have cast their vote by remote e-voting prior to the AGM may also attend/participate in the AGM through VC / OAVM but shall not be entitled to cast their vote again.
- vi. The voting rights of Members shall be in proportion to their shares in the paid-up equity share capital of the Company as on the cut-off date
- vii. Any person, who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date, may obtain the login ID and password by sending a request at helpdesk.evoting@cdslindia.com However, if he/she is already registered with CDSL for remote e-voting then he/she can use his/her existing User ID and password for casting the vote.
- viii. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

EXPLANATORY STATEMENT PURSUANT TO SEC 102 OF THE COMPANIES ACT, 2013

As required under Section 102 of the Companies Act, 2013, the following Explanatory Statement sets out all material facts relating to the items of Special Business specified in Item No. 4 & 5 of the Notice of the Meeting.

Item No. 04:

The Members at the Annual General Meeting held on 30th September, 2018 appointed **Sri Satyanarayana Kapuganti (DIN:07959357)** as an Independent Director to hold office for a term of 5 years. Accordingly, the tenure of Sri Satyanarayana Kapuganti, as an Independent Director has come to conclusion.

In terms of provisions of section 149(10) of the Companies Act, 2013, an independent director shall hold office for a term up to five consecutive years on the Board of a Company, but shall be eligible for reappointment on passing of a special resolution by the Shareholders of the Company and disclosure of such appointment in the Board's report.

After taking into account the performance evaluation, during his first term of five years and considering the knowledge, acumen, expertise and experience in respective fields and the substantial contribution made by Sri Satyanarayana Kapuganti during his tenure as an Independent Director since his appointment, the Board of Directors at its meeting held on 02nd September, 2023 has approved the proposal for reappointment of Sri Satyanarayana Kapuganti as an Independent Director for a second term of five consecutive years with effect from 30th September, 2023.

In line with the aforesaid provisions of the Companies Act, 2013 and in view of long, rich experience, continued valuable guidance to the management and strong Board performance of Sri Satyanarayana Kapuganti, the Shareholders are requested to approve the re-appointment of Sri Satyanarayana Kapuganti as an Independent Directors for a second term of five consecutive years with effect from 30th September, 2023.

The Board recommends resolution under Item No. 4 to be passed as a **Special resolution**.

MANAGEMENT DISCUSSION & ANALYSIS**Company overview:**

Management presents herein the industry overview, opportunities and threats, initiatives by the Company and its overall strategy for the future. This outlook is based on the assessment of current business environment, which may vary due to the future economic and other developments both in India and abroad.

A. Industry Structure & Development

Fortune of your Company which is in refractory industry is directly linked to the performance of Steel Industry as it is the largest consumer of refractory products. The other consumers of refractory products are Cement, Copper, Glass, Aluminum and Petro-chemical industries etc. which are witnessing reasonable growth, all these factors will have a very positive impact on the growth of refractory industry in near future.

Products of Raasi Refractories are manufactured at its manufacturing facility at Hyderabad, in Telangana. The Company has ongoing programs for improving efficiency and effectiveness of its manufacturing processes, raw material cost, energy conservation, control over working capital and to produce special refractories at low cost so as to add maximum value to the customers. Energy efficient installations have been made at the factory. Best in class safety measures and processes have been put in place and improved upon at the factory and all working sites.

B. Opportunities & Threats**Opportunities**

The refractories industry largely follows trends set by its main driver, the steel industry. Iron and steel production is responsible for up to 70 % of the total demand for Refractories; therefore the profitability of the refractories industry as a whole is strongly influenced by steel production levels and steel plant investments.

Consequent technology advancement in steel making processes, major opportunity lies in manufacturing of continuous casting refractories, special monolithics viz. Castables; Plastic based ramming mass and gunning materials, etc. The Company is having its vision in line to this technology change. Demand for refractories has increased substantially due to increased steel and Aluminum production in India.

Threats

Competition in refractory industry is building up. Lot of consolidation and re-organization is taking place in refractory industry. Input costs mainly the increase in cost of raw materials is also a cause of concern for refractory industry. Cost reduction measures will play an important role in keeping the unit viable in the face of stiff competition. Your Company has taken several cost reduction measures for improving operations to bring down the cost of production and is hopeful to successfully meet the challenges of competition. Further the company is continuously pursuing for some large orders from the consumers in India.

Your Company is taking steps to take on the challenges and strengthen its brand image in neighboring states as well as in Telangana where the company is already a brand leader. Power remains another major threat to the industry. Severe power shortage and high cost of power in the State has rendered most of the factories very non remunerative.

C. Segment or Product Wise Performance

Your company operates in only one business segment and one product viz., refractories.

D. Outlook

Market outlook in future for refractory seems good. Per capita consumption of steel in India is being far below in comparison to the international standards. It is expected that the

demand for increase of domestic steel production will be robust and this will have positive impact in refractory consumption. Growth in real estate and consumer durable sector will lead to increase in cement, glass and special alloys production. This will also necessitate use of better quality refractories. Your Company's effort to keep pace with changing technology which offer superior product will ensure not only retention of existing business but also increase the business volume wherever such products are used.

E. Risks & Concern

Indian refractory manufacturers are dependent on China for key raw materials like Bauxite and Magnesite. Clogged logistical network and lack of transportation facilities are taking toll on timely delivery of raw material. It is very difficult to comment on forecast, even to comment on short term outlook is difficult because of Government's action which are changing the situation on day to day basis.

Another major area of concern is availability of adequately qualified and competent workforce. The Industry is facing countless difficulties both in terms of increasing raw material and other input costs as well as the availability, further the negotiating power of the refractory makers is poor mainly due to their size as it caters to the industries which is far bigger in sizes like aluminum, steel, cement etc.

F. Internal control systems and their adequacy

Your Company has adequate internal Financial controls commensurate with its size and nature of business which are reviewed periodically. The internal auditors of the Company conduct regular audits as per approved plan and the Audit Committee reviews periodically the adequacy and effectiveness of internal control systems and takes steps for corrective measures whenever required.

G. Discussion on Financial Performance with respect to Operational Performance

Your Company's gross turnover has declined to Rs.5906.52 lacs against a turnover of Rs.6289.30 lacs achieved during the previous financial year. The Net profit has declined to Rs.86.43 lacs as against profit of Rs.115.06 lacs during previous year. The Company's profit before tax amounts to Rs.103.80 lacs as against Rs.56.41 lacs for the previous year.

H. Material developments in Human Resources/Industrial Relations front including number of people employed

It is your Company's belief that the competence and commitment of its people are key drivers of competitive advantage enabling the Company to compete successfully in the market place. Your Company endeavors to strengthen organizational culture in order to attract and retain the best talent and bring out the best in people.

CAUTIONARY STATEMENT:

Statements in the Management Discussion and Analysis describing the Company's objective, projections, estimates, expectations may be "forward-looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include, among others, economic conditions affecting demand / supply and price conditions in the domestic and overseas markets in which the Company operates changes in the Government regulations, tax laws and other statutes and incidental factors.

 - Indian Boilers Act, 1923

I have also examined compliance with the applicable clauses of the following:

1. Secretarial Standards issued by The Institute of Company Secretaries of India.
2. SEBI (Listing Obligations Disclosures Requirements) Regulations, 2015 as amended from time to time.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observations:

1. The Company has delayed in filing certain periodical and one time forms to be filed with the Ministry of Corporate Affairs during the period under review.
2. The Independent Directors of the company have not applied for the inclusion of their name in the databank and have not passed the proficiency test conducted by the Indian Institute of Corporate Affairs
3. The term of Independent directors have expired w.e.f. 07th October, 2022.
4. The Company has delayed in filing of Financial Statements with Bombay Stock Exchange for the quarter and year ended 31st March, 2023.

5. The Statutory Auditor of the Company has not been subjected to peer review conducted by ICAI.
6. Mr. Rajendra Prasad Kandikattu, Director of the company has not attended any of the Board Meetings held during the period under review.

Other Laws

Management has submitted representation about the Compliances of various labour laws, however the required documents were not produced for audit purpose relating to Boilers Act, 1923; Air (Prevention & Control of Pollution) Act, 1981; Water (Prevention & Control of Pollution) Act, 1974; Water (Prevention and Control of Pollution) Cess Act, 1977; The Public Liability Insurance Act, 1991; Equal Remuneration Act, 1976; Environment Protection Act, 1986; Minimum Wages Act, 1948; Payment of Wages Act, 1936; Payment of Bonus Act, 1965; The Employees' Provident Fund & Misc Provisions Act, 1952 and EFP Scheme 1952; The Payment of Gratuity Act, 1972; Apprentice Act 1961; Maternity Benefits Act, 1961; Employees Compensation Act, 1923; Industrial Disputes Act, 1947; The Factories Act, 1948; Shops and Establishment Act, 1988 and also for other industry specific acts as applicable to the company.

Hence I am not in a position to comment on the Compliance of the above said Acts

I further report that the Board of Directors of the Company except for the observations made in this report, is duly constituted after the change in the composition of the Board of Directors during the audit period under review.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
RAASI REFRACOTORIES LIMITED
Hyderabad.

We have audited the stand alone financial statements of **RAASI REFRACOTORIES LIMITED** ("the company) which comprise the stand alone Balance Sheet of as at 31st March, 2023 and the Statement of Profit and Loss, Statement of Changes in equity and statement of cash flows for the year then ended, and notes to the financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, and profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work we performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The company Board of directors is responsible for the matters stated in Section 134(5) of the companies Act, 2013 ("the ACT") with respect to the preparation of these financial statements

that give a true and fair view of the state of affairs, profit/loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional throughout the audit. We also:

- Identify and assess the risk of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we

are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order, to the extent applicable.

- A.** As required by Section 143(3) of the Act, We report that:
- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the company so far as appears from our examination of those books.
 - c. The standalone Balance Sheet, the stand alone Profit and Loss (Including other comprehensive income), the stand alone Statement of Changes in equity and standalone statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the IND AS specified under section 133 of the Act.
 - e. On the basis of written representations received from the directors, as on 31st March, 2023, and taken on record by the Board of Directors, we report that none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

- B.** With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 in our opinion and to the best of our information and according to the explanations given to us :
- The company does not have any pending litigations as on 31st March, 2023 which would impact its financial position in its standalone financial statements.
 - The company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company; and
 - The disclosures in its standalone financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8 November, 2016 to 30 December, 2016 have not been made in these standalone financial statements since they do not pertain to the financial year ended 31 March 2023.
- C.** With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

**ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT
ON THE STANDALONE FINANCIAL STATEMENTS OF RAASI
REFRACOTORIES LIMITED****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to standalone financial statements of **RAASI REFRACOTORIES LIMITED** ("the Company") as of **31st March 2023** in conjunction with our audit of financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls were operating effectively as at 31 March 2023, based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls With reference to standalone financial statements issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls with reference to standalone financial statements (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO STANDALONE FINANCIAL STATEMENTS

A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO STANDALONE FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at **31 March 2023**, based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls With reference to standalone financial statements issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENT.**Note Particulars****1 Corporate Information**

Raasi Refractories Limited is engaged in manufacture and sale of refractories

1.1 Significant accounting policies

The significant accounting policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements, unless otherwise indicated.

1.2 Basis of Preparation and Presentation

The financial statements have been prepared on the historical cost basis and on accrual basis in accordance with the Indian Accounting Standards ("Ind AS") notified under the companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendments Rules, 2016

1.3 Use of estimates and judgments

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

1.4 Property, plant and equipment

Property, plant and equipment are stated at cost, net off recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price and any cost directly attributable to bringing the assets to its working conditions for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. Gains and losses upon disposal of an item of property, plant and equipment are determined as the difference between the net disposal proceeds and the carrying amount of property, plant and equipment and are recognised in the statement of profit and loss.

Depreciation on property, plant and equipment is provided using written down value method. Depreciation is provided based on useful life of the assets as prescribed in schedule II to the companies Act, 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

1.5 Financial Assets**Initial recognition and measurement**

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchase and sale of financial assets are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement**i. Financial assets carried at amortised cost (AC)**

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii. Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii. Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

For trade receivables, Company applies 'simplified approach' for recognition of impairment loss allowance on the trade receivable balances. The application of simplified approach require the Company to recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

Financial Liabilities

Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable transaction costs. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derecognition of financial instruments

A financial asset (or a part of the financial asset) is derecognized from the Company's balance sheet when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of the financial liability) is derecognized from the Company's balance sheet when the obligation under the liability is discharged or cancelled or expires.

1.6 Cash and cash equivalents

Cash and cash equivalents consist of cash at banks and on hand, demand deposits and other short term deposits that are readily convertible into known amounts of cash, are subject to insignificant risk of changes in value and have a maturity of three months or less.

1.7 Inventories

Inventories consist of raw materials, stores and spares, work-in-progress and finished goods are measured at the lower of cost and net realisable value after providing for obsolescence. The cost of all categories of inventories is based on the weighted average method. Cost includes expenditures incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their existing location and condition. In the case of finished goods and work-in-progress, cost includes an appropriate share of overheads based on normal operating capacity. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expense.

1.8 Impairment of non-financial assets

The carrying amounts of the Company's non-financial assets, other than inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated to determine the extent of impairment if any.

The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or the cash-generating unit.

For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit"). An impairment loss is recognised in the statement of profit and loss to the extent, the carrying amount of an asset or its cash-generating unit exceeds its estimated recoverable amount. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

1.9 Provisions, Contingent Liabilities and Contingent Assets

Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities

A contingent liability is disclosed when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

1.10 Revenue recognition

Effective 1st Apr, 2018 the Company has applied Ind AS 115. This comprehensive new standard will supersede existing revenue recognition guidance, and requires an entity to recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

i. Sale of goods

Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs can be estimated reliably, there is no continuing effective control or management involvement with the goods, and the amount of revenue can be measured reliably. Revenue from sale of goods is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms and excluding taxes or duties collected on behalf of the government.

iv. Interest Income

Interest income is accrued on a time proportion basis, by reference to the principal outstanding and effective interest rate applicable.

1.11. Employee Benefits Expense**i. Short Term Employee Benefits**

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

ii. Post-Employment Benefits

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company's contributions to defined contribution plans are recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined Benefit Plans

The liability in respect of gratuity benefit is determined using the Projected Unit Credit Method based on actuarial valuation, performed by an independent qualified actuary.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

1.12 Finance cost

Interest expenditure has been accounted using effective interest rate method.

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale are capitalized as part of the cost of such assets. All other borrowing costs are charged to the statement of profit and loss for which they are incurred.

1.13 Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax expense is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

Current tax

Current tax is the expected tax payable on the taxable income for the year, using the tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years

Deferred tax

Deferred tax is recognised using the balance sheet method on temporary differences between the carrying amount of assets and liabilities in the financial statements and the corresponding amounts used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply to the temporary differences in the period in which the liability is settled or the asset realised, based on tax laws that have been enacted or substantively enacted by the end of reporting period.

1.14 Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the company by the weighted average number of ordinary shares outstanding during the period.

Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares except where the result would be anti dilutive.

31 Financial Instruments**31.1. Capital Management**

The Company manages its capital to ensure that it will be able to continue as going concern while maximizing the return to stakeholders through the optimization of equity balance.

The Company determines the amount of capital on the basis of annual master planning and budgeting and five year's corporate plan for working capital, capital outlay and strategic involvements.

31.2. Financial Instruments**Initial recognition**

Financial assets and financial liabilities are recognised when a Company entity becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial asset or financial liabilities, as appropriate, on initial recognition.

Subsequent recognition

Financial liabilities are subsequently carried at amortized cost using effective interest method.

31.3. Financial Risk Management

In course of its business, the company is exposed to certain financial risk such as market risk (Including currency risk and other price risks), credit risk and liquidity risk that could have significant influence on the company's business and operational/financial performance. The Board of directors reviews and approves risk management framework and policies for managing these risks and monitor suitable mitigating actions taken by the management to minimize potential adverse effects and achieve greater predictability to earnings.

31.4. Credit Risk

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the company. The company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, a means of mitigating the risk of financial loss from defaults. The Company's exposure and the credit ratings of its counterparties are continuously monitored and the aggregated value of transactions concluded is spread amongst approved counterparties.

31.5. Liquidity Risk

Liquidity risk refers to the risk that the company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as pre requirements. The Company's exposure to liquidity risk is minimal.
